

Coberley Parish Council

Explanation of variances on Annual Accounts 2021

Other receipts

In the 2021 year we reclaimed the vat on the professional fees incurred in the previous year

Staff Costs

The increase in staff costs is due to a change of clerk at the year end and having a month handover where both clerks were paid.

Other payments

The significant reduction is due to the large amount of professional fees incurred regarding a planning application on Hartley Lane

No other significant variances were noted
