POST-MEETING NOTE TO DRAFT MINUTES OF COUNCIL MEETING 26
FEBRUARY 2024

Reference Item 17, proposed D-Day 80th Anniversary Beacon celebration 6 June 2024.

Since the meeting, it has been learned that the venue previously used for the parish's beacon events is no longer available.

In view of this and no identification of a potential alternative venue, as well as the very short timescale until the anniversary date, the Parish Council has decided to abandon the proposal.

Other opportunities for Parish celebrations will be considered in due course.
